James 5:16—The prayer of a righteous man ...

Have you ever wondered what it is like to fire a real flintlock rifle? Well this is your chance. We will be having a supervised time at the rifle range where those 14 and over can load and fire a real flintlock rifle. Even those under 14 will have the chance to load for one of our range supervisors. Don't miss out on this chance to experience what life was like on the American frontier!

This year we will be featuring frontiersman training and competition including:

- ◆ Fire-starting (flint & steel)
- ◆ Knife & Hawk throwing
- ◆ Primitive Archery
- ◆ Rifle Range with flintlock rifles
- ◆ How accurately can you shoot? (NRA Postal Match will be offered - see Trace packet for details)
- ◆ How fast can you load and fire three rounds?
- ◆ Join the British army and learn what it was like to drill with the best infantry in the world!

See your Commander for more details and register today!
